## **LIST OF ORAL AND MAXILLOFACIAL HOSPITAL UNITS**

**2008**

Updated: May 2008

## Contents

	Page
• Alphabetical list of oral and maxillofacial surgery units	2 - 29
• Alphabetical list of oral and maxillofacial consultants	30 - 35
• Alphabetical list of oral and maxillofacial staff and associate specialist grades	36 - 39
• Geographical index of units by county	40 - 42
• Regional index of units	43 - 44

## Introduction

The main list of units is sorted alphabetically by the 'abbreviated name' of each hospital. This short name is usually the name by which the hospital is commonly called, for example most people refer to 'East Grinstead' rather than the Queen Victoria Hospital NHS Trust.

There is also a list giving the names of consultants and the abbreviated names of the units at which they work.
