Note for free papers and physical posters:

All presenters, abstract titles and timings will be available on the meeting app approximately one week prior to the meeting. All free paper and poster presenters have been contacted with further details. Please contact conference@baoms.org.uk for further information.

Continuing Professional Development (CPD)

This meeting aims to provide attendees with the opportunity to gain up to date knowledge on the latest developments and techniques in research, audit, education, surgical techniques, clinical patient management and outcomes in the field of oral and maxillofacial surgery.

This is delivered through lectures, seminars and short papers.

Certificates of attendance will show daily CPD allocations, but participants should verify their own attendance record out of the maximum hours available.

Certificates of attendance

Certificates of attendance indicating the CPD hours for the elements of the meeting booked by the attendee will be sent by email after the conference. **CPD is only available to onsite attendees.**

Scanning in each day

In order to meet the requirements of verifiable CPD, attendees should scan in at the meeting venue on each day that they attend the conference. BAOMS is required to keep this attendance record on file in order for CPD hours to be considered verifiable. Your cooperation is much appreciated.

Evaluation forms

The provision and holding on file of delegate evaluation forms is another requirement of verifiable CPD. Please ensure that you complete the ONLINE form to receive your CPD certificate. Your cooperation is much appreciated. This will be emailed to you following the meeting. CPD certificates will be issued approximately 4 weeks after the onsite meeting (not before) on verification.

Continuing Professional Development (CPD)

Wednesday 24th June: 4 hours

Thursday 25th June: 6.5 hours

Friday 26th June: 5 hours

President's Introduction

Professor Patrick Magennis, 64th BAOMS President

Dear friends and colleagues,

Theme: Inter-Faces

It gives me great pleasure to invite you to the BAOMS 2026 Annual Scientific Meeting, taking place at the International Convention Centre in Belfast, Northern Ireland 24-26 June 2026. The theme of the meeting is 'Inter-Faces'.

There will be colleagues joining our conference from around the world with themed symposia followed by free paper presentations as well as physical onsite posters on display in the medical exhibition over the three days. There will be three or four parallel sessions running throughout the conference, including one dedicated to Training, Staff and Associate Specialist surgeons, IMPT colleagues and various BAOMS Subspecialty Interest Group (SSIG) symposia.

Online registration is now open. Please visit this link to register to [attend BAOMS 2026 MEMBERS Registration and Payment \(jotform.com\)](#) if you are a member (this form is password protected and the password has been sent to all BAOMS members), or this link if you are not [BAOMS 2026 NON-MEMBER Registration and Payment \(jotform.com\)](#)

There are special rates for BAOMS members who are Fellows in Training, Junior Trainees (OMFS DCTs, Foundation Trainees etc), BAOMS Students and Student Associates, IMPT members and OMFS Nurses.

Social events:

The **President's welcome reception will be on 1730 – 1900 on Wednesday 24 June** in Hall 1 at the ICC around the medical exhibition. This will take place at the end of the afternoon sessions allowing time afterwards to explore and spend the evening in the City of Belfast.

The Annual Dinner and Party on Thursday 25 June will be at the Titanic Belfast with the option of a pre-dinner visit to the display galleries (for First Class tickets) and after dinner drinks (2 drinks from the cash bar included) and dancing for 'Steerage' tickets. There will also be photo opportunities on the iconic Titanic staircase, which is in the dining room.

The dress code will be 'party wear' so come as you like. Some will want to pose on the staircase in their formal wear, and some might want to be dressed more casually for a night's dancing. All will be welcome.

Medical Exhibition

The medical exhibition will run alongside the scientific programme. All coffee breaks and daytime catering will take place in the exhibition area. Please contact the BAOMS office for further details about the medical exhibition and sponsorship opportunities.

BAOMS Council July 2025/ June 2026

The Ceremonial Presidential Handover will be on Friday 26 June 2026

Trustees and Officers:

| | |

|------------------|---|

Hall 2

1530-1730 **OMFS Specialty Training in the UK – Update from JTG, OMFS SAC, JCST, COPDEND, UKFP including Q&A session**

The State of Play Review – the JTG Perspective

Mr Richard Taylor, BAOMS Fellow in Training, UK

COPDEND and OMFS

Mr James Spencer

OMFS and UKFP

Mr Chris Mannion, Consultant Oral and Maxillofacial Surgeon, UK

Changes in OMFS Curriculum, the what and the why

Mr Christopher Fowell, ISCP Surgical Director, Consultant Oral and Maxillofacial Surgeon, UK

Planned Changes in Surgical Training

Mr Ian Sharp, OMFS SAC Chair, Consultant Oral and Maxillofacial Surgeon, UK

Q & A session (followed by Welcome Reception from 1730 in Hall 1 exhibition)

Hall 1 d **Managing Complications in Oral Surgery**

1345-1730 **Dento-alveolar SSIG and Associate Fellows Session**

Co-Chairs **Mr Sunil Shroff** and **Ms Rafia Lahooti**

BAOMS Associate Fellow representatives and leads for BAOMS Dento-Alveolar SSIG

1345-1415 Anticipating third molar complications to minimise and prevent them
Mr Geoff Chiu, Consultant Oral and Maxillofacial Surgeon, Clinical Director for Theatres, Associate Editor British Journal of Oral & Maxillofacial Surgery, Research lead for Saving Faces Charity, Royal Blackburn Hospital, UK

1415-1445 Complications in implant practice
Dr Fahad Zafar, Periodontics and implant dentistry, Dublin

1445-1515 Nerve injuries and Nerve repair in Dentoalveolar surgery - *title to be finalised*
Mr Glyndwr W Jenkins, Consultant Oral and Maxillofacial Surgeon
Head and Neck Cancer Lead South Tyneside and Sunderland Royal NHS Foundation Trust, UK

1515- 1530 Q & A session

1530-1545 Refreshments in medical exhibition and poster displays Hall 1abc

Hall 1 d

1545-1615 How to minimise the recurrence of OKC's- current practice
Mr Dermot Piense, Dublin Dental University Hospital, Ireland (to be confirmed)

1615-1645 Managing MRONJ- cases and outcomes
Miss Cristina Frezzini, Consultant Oral and Maxillofacial Surgeon, Sheffield Teaching Hospital NHS Foundation Trust, UK

1645-1715 How to avoid Surgical Airway complications
Mr Clive Pratt, Consultant Oral and Maxillofacial Surgeon,
St Richard's Hospital, Chichester, UK

1715-1730 Q & A session

Meeting Room 3b

The International Research Symposium to include the Japanese Society of OMFS

1345-1530 **Ideas for and discussion on international research projects**

Co-Chairs **Mr Alexander MC Goodson, Mr Karl Payne and Mr Ashley Ferro**

Research in Japan **Mr Kazuhiro Ooi**

Research in USA **Mr Stephen MacLeod**

Research in UK **Mr Andrew Schache and Professor Richard Shaw**

Q & A session

| | |
|------------------|---|
| 1530-1545 | Refreshments in medical exhibition and poster displays Hall 1abc |
|------------------|---|

1545-1730 **Promoting Research and Training in Research Methods with presentations from The Japanese Society of OMFS (15 minutes each to include 5-minutes for Q & A)**

Development and External Validation of a Clinical Score for Predicting Outcomes of Non-Operative Therapy in Patients with MRONJ: A UK–Japan Collaborative Research Project

Hidetaka Miyashita, Department of Dentistry and Oral Surgery, Keio University School of Medicine

UK-Japan OMFS Symposium from Japanese Participants' Perspectives - Cross-Cultural Educational Interface

Hidetaka Miyashita, Department of Dentistry and Oral Surgery, Keio University School of Medicine

Redefining the Therapeutic "Inter-Face" for Jaw Osteosarcoma: A UK–Japan Collaborative Initiative on Age-Specific Protocols and Functional Restoration

Kenichi Kumagai, The University of Tokyo

Bridging Bench to Bedside in OMFS: A UK–Japan Collaborative Platform for Translational Research in Temporomandibular Joint Osteoarthritis

Kazuhiro Ooi, Department of Oral and Maxillofacial Surgery, Graduate School of Medical Science, Kanazawa University, Ishikawa, Japan.

Followed by discussion regarding international research projects

Meeting Room 3 a (not in use at this time)

1730 End of all sessions
