

COOK COUNTY  
**HEALTH**

# *The Future of Oral & Maxillofacial Surgery*

**Strategic Planning**  
The Next 10 years

**SATURDAY**  
October 24, 2020

**Program Chairman:**  
Mohammed Qaisi, DMD, MD, FACS

**Program Co-Chairman:**  
James Murphy, DDS, MD, FACS

**Key Note Speakers:**  
Rui Fernandes, DMD, MD, FACS  
Bryan Bell DDS, MD, FACS

Joe Niamtu III, DMD  
Michael Block, DMD

**Come join us for a conversation about the future of the specialty of Oral & Maxillofacial Surgery. Where do we want to be in 10 years from now? How do we learn from surgeons that have expanded the scope of the specialty and apply that on a national level? How do we protect our anesthesia model and maintain the viability of the OMS practice in the era of DSO dentistry? How do we increase our competitive advantage in the area of dental implants? How do we integrate research into the fabric of the specialty as other specialties have done? How do we pave the way for the first face transplant in a maxillofacial program? How do we ensure that our interests are well represented whether it is in the halls of congress or professional organizations such as the ADA, AMA and the American College of Surgeons? How do we usher in the next generation of institutional leaders whether they are CEO's of hospitals and cancer centers or presidents of professional organizations? How do we make Oral & Maxillofacial Surgery the premier specialty in health care? Come join us and help shape the future of Oral & Maxillofacial Surgery.**

## **REGISTRATION:**

This event is eligible for up to 4 hours of CE credit. This event is intended Oral & Maxillofacial Surgeons and residents. To register for this event visit the blue jeans registration page at the link below. Due to limited capacity early registration is encouraged.
