Mobile: 07883083786

We are organising the OMFS ST1/ST3 interview skills course for the fourth time at the Queen Victoria Hospital, East Grinstead. Over the last two years, we have received very positive feedback about the course from trainees who have attended the course. Many of them have been successful in securing national training numbers in OMFS.

This interview preparation course covers all aspects of the interview and allows the candidate to practise interview skills. We strongly encourage candidates to come prepared for a mock interview day to perform well in various interview stations and gain feedback from colleagues and faculty members.

This interview course is suitable for all candidates applying for ST1/ST3 OMFS posts in September 2018. We also welcome candidates who will be applying next year. Booking on first come first served basis.

Course faculty:

Mr. Jeremy Collyer (Consultant OMFS, QVH, EG and TPD KSS)

Mr. Raghuram Boyapati ST5 OMFS, QVH, EG

Mr. Montey Garg ST5 OMFS, QVH, EG

Mr. Rajat Paul ST3 OMFS, John Radcliffe Hospital, Oxford

Mr. Alexander Hills ST5 OMFS, QVH, EG

Mr. Ramachandra Madattigowda ST3 OMFS, QVH, EG

Mr. Walid El-Kininy ST3 OMFS, QVH, EG

Course fee: £150 includes lunch/refreshments
