This meeting aims to provide attendees with the opportunity to gain up to date knowledge on the latest developments and techniques in research, education, surgical techniques, clinical patient management and outcomes in the field of oral and maxillofacial surgery.

This is delivered through workshops, lectures, seminars and short papers.

Certificates of attendance will show daily CPD allocations, but participants should verify their own attendance record out of the maximum hours available, which have been calculated as follows:

Thursday 7 October	Study Day at AMRC	Total CPD hours: 6.25
	Session Group sessions	3.25 hours 3 hours
		
Friday 8 October	Workshops at INOX	Total CPD hours: 3
	Workshops at INOX Session	2 hours 1 hour
		
Saturday 9 October	Diamond Centre	Total CPD hours: 6.75
	Session LT1 Sessions LT1/LT3 Sessions LT1/LT3 Norman Rowe Lecture	1.5 hours 2.5 hours 2 hours 0.75 hours
		
Sunday 10 October	Diamond Centre	Total CPD hours: 4.5
	Pop-up podium presentations Sessions LT1 Sessions LT1	1 hour 1.5 hours 2 hours
		

Certificates of attendance

Certificates of attendance indicating the CPD hours for the elements of the meeting booked by the attendee will be sent by email after the conference.

Scanning in each day

In order to meet the requirements of verifiable CPD attendees should scan in at the Registration Desk on each day that they attend the conference. BAOMS is required to keep this attendance record on file in order for CPD hours to be considered verifiable. Your cooperation is much appreciated.

Evaluation forms

The provision and holding on file of delegate evaluation forms is another requirement of verifiable CPD. Please ensure that you complete the ONLINE form to receive your CPD certificate. Your cooperation is much appreciated. This will be emailed to you following the meeting.

Introduction from the President

*"I look forward
to welcoming
you to
Sheffield."*

PRESIDENT
AUSTEN T SMITH

The concept and theme of the main meeting is "OMFS: How to do it: A Workshop Manual". The emphasis is on pictorial, graphical and /or video step wise exposition of surgical technique. This will take place on Saturday 9 and Sunday 10 October at the Diamond Centre, Sheffield University. This should serve as a refresher following the hiatus in normal surgical practice in the last year.

Limited opportunity for Pop up Poster abstract presentations open to BAOMS members are planned on Sunday 10 October for a competition on the theme of 'A better way to do....'. Details on how to submit will be available on the members' area. Open to BAOMS members only.

There will be an Annual Dinner and Awards Ceremony on Saturday 9 October at Cutler's Hall in Sheffield City Centre. Entertainment provided by the world famous Grimethorpe Colliery band of "Brassed Off" feature film fame. Their style, presentation and virtuosity is NOT what you would expect of any ordinary brass band. Late enthusiastic dancing to disco or similar, social distancing permitting.

Online registration will open in Summer 2021, with limited onsite attendance (no on the day registrations will be available). Elements (main sessions) of the programme will also be streamed, room to room and to remote access registrants.

An OMFS Nurses' Day is also planned for Saturday 9 October in the Diamond Centre. The Institute of Maxillofacial Prosthetists and Technicians have expressed an interest in attending jointly.

Accommodation via "Marketing Sheffield" please visit the accommodation booking portal set up especially for the meetings. [Click here.](#)

We look forward to welcoming BAOMS members to Sheffield

OUTLINE OF PLANNED MEETINGS:

ADVANCED MANUFACTURING RESEARCH CENTRE

Thursday 7 October 2021

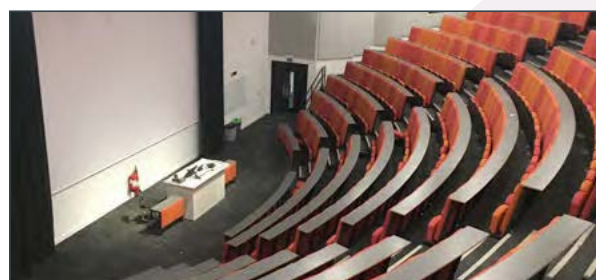

We are holding a High Tech study day at the Advanced Manufacturing Research Centre (AMRC) the University of Sheffield joint venture with McLaren and Boeing. This will cover the "Theatre of the future", remote sensing, rapid production and point of care manufacturing along with virtual space planning and educational simulation. The day will precede the ASM at the University of Sheffield just as traditional "Masterclasses" at past ASMs.

INOX CENTRE FRIDAY'S VENUE

Friday 8 October 2021

INOX part of the University of Sheffield (Student Union Building in Durham Road, Sheffield). Morning workshops on Implant planning, Clinical use of Portable Ultrasound and Nasendoscopy Skills. Members', Consultants & Specialists, QOMS, MTREC, FITs, and other group meetings with the Annual General Meeting to follow. Friday evening free to meet up with friends and colleagues.

MAIN LECTURE HALL AT DIAMOND CENTRE

Saturday 9 & Sunday 10 October

Full scientific programme at the Diamond Centre, Sheffield University.

PRELIMINARY PROGRAMME

THURSDAY 7 OCTOBER 2021: AMRC

0800-1700 Programme on page 6

FRIDAY 8 OCTOBER 2021: INOX, STUDENT UNION, UNIVERSITY OF SHEFFIELD

0830-1030 Three workshops

Workshops limited to 15 participants (tbc): Must be pre-booked via members online registration

0830-1030 **IMPLANTS:** ROOM 1

Mr Ricardo Mohammed-Ali runs Implant courses specifically designed to train and educate OMFS ST level clinicians: He will demonstrate the virtual planning aspects of implant work including dental implants for tooth loss, prosthetic improvement and for the rehabilitation of the Head & Neck patient.

0830-1030 **NASENDOSCOPY:** ROOM 2

Ms Alexandra Thompson will cover anatomical and theoretical aspects of endoscopic examination of the Upper Aerodigestive Tract, Mr Miran Pankhania an ENT surgeon based in Rotherham and active in Head & Neck Oncology will demonstrate correct fibre - facilitated examination techniques including the equipment, setup and protocols for panendoscopy, and demonstrate / teach the process of nasendoscopy for diagnostic and monitoring/ staging purposes, within the clinic / ward environment

0830-1030 **ULTRASOUND:** ROOM 3

Mr Bhavesh Karbhari will facilitate this two hour ultrasound workshop. In addition to a head and neck focus it will also incorporate other skills which may be aided by the use of ultrasound. Dr David Andrew (Consultant Maxillofacial Radiologist), Dr Stefan Jankowski (Consultant Anaesthetist) and the specialist head and neck sonography team will deliver the theory and principles of ultrasonography, practical applications (cannulation, assessing vessel flow, pedicle flow), neck sweeps and assessment of lumps (including FNA/Core biopsies). This will be a theory and practical course using simulated models providing a hands-on experience.

1030-1100 Refreshment break

1100-1315	Members' business meetings – Sandwich lunch available Members' meetings limited to 25 onsite in each room (capacity tbc)
1100-1200 1215-1315	ROOM 1: CSG ROOM 2: FiTs ROOM 3: Associate Fellows ROOM 1: QOMS ROOM 2: JTGs ROOM 3: MTRC
1130-1330	BAOMS Council Meeting at INOX (tbc)
1430-1630	BAOMS AGM (BAOMS members only please) followed by Debate AGM held onsite and online The AGM agenda will be circulated via email and will be available online to all BAOMS members
1630-1730	DEBATE Trouble shooting - How to manage osteocronosis Chaired by Douglas Hammond , BAOM SSL Research Lead a) <i>Osteo Radio Necrosis</i> – Richard Shaw b) <i>Medication related osteo necrosis of the jaw MONJ</i> – Jag Dhanda
Evening	Free to meet up for dinner and drinks with colleagues
1930	Council Dinner – by invitation only

SATURDAY 9 OCTOBER 2021: DIAMOND CENTRE, UNIVERSITY OF SHEFFIELD

BASICS – Lecture Theatre 1 (LT1)

0815-0830 **Welcome:** Austen T Smith, BAOMS President

0830-0845 *How a scalpel blade is made and how to keep it sharp* – Swann Morton

0845- 0900 *How to cut bone OR How to deal with a 3rd molar in the line of a mandibular fracture* – Speaker to be advised

0900-0915 *How to do a Gold Standard Evidence based lower 3rd molar removal* – **Geoff Chiu**, Royal Blackburn Hospital

0915-0930 *How to take high quality clinical photographs* – **Gary Cousins**, Royal Blackburn Hospital

0930-0945 *How to give a lower limb nerve block for Fibula donor site analgesia* – **Farzan Ahmad**, TBC

0945-1000 *How to draw useful surgical diagrams* – **Aimee Rowe**, QMC Nottingham

(DEFORMITY – Lecture Theatre 3 (LT3) – sessions start from 1030)

1000-1030 **Refreshment break** in lower basement

ONCOLOGY & RECONSTRUCTION – Lecture Theatre 1 (LT1)

- 1030-1045 *How to plan excision of facial non-melanoma skin cancers* – Greg Knevil
- 1045-1100 *How to deal with facial melanoma surgical treatment* – Carrie Newlands, Consultant OMFS, Royal Surrey Hospital, Guilford
- 1100-1115 *How to eliminate the use of vacuum drains in neck dissection procedures* – Speaker to be advised
- 1115-1130 *How to choose and use the latest Systemic AntiCancer Therapies (SACTs)* – Speaker to be advised
- 1130-1145 *How to optimise postop care for major resection patients* – Craig Wales, details to be advised
- 1145-1200 *How to raise the Medial Sural Artery Perforator flap* – Mike Nugent, Sunderland Royal Infirmary
- 1200-1215 *How to raise flaps from the Subscapular axis* – Tim Martin, University Hospitals Birmingham
- 1215-1230 *How to raise a latissimus dorsi free flap from the front* – Alistair Fry, Guy's Hospital, London
- 1230-1245 *How to reconstruct the nose using free flap principles* – Bhavin Visavadia, Northwick Park Hospital
- 1245-1300 *How to reconstruct maxillary defects using the "ZIP" Flap principle* – Greg Boyes-Varley, South Africa

DEFORMITY, TMJ & AESTHETICS – Lecture Theatre 3 (LT3)

- 1030-1045 *How to do a World Standard, Evidence Based Maxillary Osteotomy* – Daljit Dhariwal, Consultant OMFS, John Radcliffe Hospital, Oxford
- 1045-1100 *How to use Piezo techniques in osteotomy* – Simon Jones, Royal Gwent Hospital Newport
- 1100-1115 *How to do a custom TM Joint replacement* – Andrew Sidebottom
- 1115-1130 *How to do TMJ arthrocentesis/arthroscopy* – Jason Green
- 1130-1145 *How to do a SMAS facelift* – Mehmet Manisali
- 1145-1200 *How to perform an endoscopic browlift* – Afshin Yousefpour, Belgium
- 1200-1215 *How to administer facial fillers safely* – Speaker to be advised
- 1215-1230 *How to do autologous fat grafting* – Jahrad Haq, Consultant OMFS, St George's Hospital, London
- 1230-1245 *How to 3D plan alloplastic implantables* – Speaker to be advised
- 1245-1300 *How to run a facial reanimation service* – Ricardo Mohammed-Ali, Sheffield

1300-1400 Lunch break in lower basement

ORBIT – Lecture Theatre 1 (LT1)

- 1400-1415 *How to access the deep orbit safely* – Sachin Salvi, Royal Hallamshire Hospital
- 1415-1430 *How to do an orbital decompression procedure in thyroid disease* – Mike Perry, details to be advised
- 1430-1445 *How to manage synchronous endoscopic and open approaches to the orbital volume* – TBC

1445-1500 *How to perform Cosmetic Blepharoplasty* – Ilanko Ilankovan, Consultant OMFS, Poole Hospital

IMPLANTS – Lecture Theatre 3 (LT3)

1400-1415 *How to perform a sinus lift procedure* – Jonas Anderud, Sweden

1415-1430 *How to use immediate implants for maxillary defect rehabilitation* – Robert Banks, Sunderland Royal Infirmary

1430-1445 *How to maximise success in an Implant practice* – Girish Rao, Bangalore, India

1445-1500 Topic and Speaker to be advised

1500-1530 Refreshment break in lower basement

SKULL BASE – Lecture Theatre 1 (LT1)

1530-1545 *How to merge coaxial PET / MRI Images in visualising the Head & Neck* – Speaker to be advised

1545-1600 *How to access the Skull Base – from above* – Thomas Carroll

1600-1615 *How to plan and administer Stereotactic Radiosurgery (Gamma Knife) in the Head & Neck* – Dev Bhattacharya

1635-1720 **NORMAN ROWE LECTURE**
How to ensure fairness and equity in the surgical workforce – Baroness Helena Kennedy of the Shaws (Streamed to all Rooms)

1720-1730 Norman Rowe Presentation, thanks and close

NECK – Lecture Theatre 3 (LT3)

1530-1545 *How to perform Balloon dilatation / Basket retrieval for Salivary calculi* – Speaker to be advised

1545-1600 *How to tackle salivary stones using Lithotripsy* – Katharine George,

1600-1615 *How to do a thyroidectomy* – Leo Cheng, Barts Health and Homerton University Hospital, London

1615-1630 *How to perform Sentinel Node Biopsy harvest in the neck* – Jeremy McMahon, Southern General Hospital, Glasgow

1635-1730 **NORMAN ROWE LECTURE**, presentation, thanks and close via live stream
How to ensure fairness and equity in the surgical workforce – Baroness Helena Kennedy of the Shaws

Finish: Venue clear by 1730
