## **2019 Annual Congress – Announcement** **Monday 21<sup>st</sup> October – Saturday 26<sup>th</sup> October 2019, Cape Town**

Dear colleagues we are rapidly approaching our annual congress! The organisers of the congress have decided due to numerous requests, to extend early bird registration to **31 August 2019**.

This Congress will be held in conjunction with BAOMS, ANZAOMS, IAOP and SASMFOS. This is a truly international conference with some of the world's foremost key opinion leaders in attendance..... DO NOT MISS THIS OPPORTUNITY !

There are pregress workshops. These will be held from 21 to 23 October 2019 and are: -

1. A cadaver course on head and neck surgery and free flaps. This is endorsed by the IAOMS as a SIGN course..
2. A facial aesthetics cadaver course.
3. Three pre-congress implant workshops

The main congress will be held from 24 to 26 October 2019 at the Cape Town International Convention Centre. The Oral Maxillo Facial Surgery and Oral Maxillo Facial Pathology sessions as well as a Free Paper session will all run concurrently. All lectures will be open to delegates registered for a full congress.

Details can be found on the congress website: <http://congress.sasmfos.org/>

**Registration may be done via:** <https://congress.sasmfos.org/registration.php>

Cape Town is one of the world's premier tourist destinations. We hope you have a few extra days to experience the vibrance and beauty of this city and surrounding area. To our international delegates and faculty, we hope you will return to further explore our country and join us for future SASMFOS Congresses.

We wish all delegates an enjoyable congress and stay in Cape Town.

Best Wishes  
The ExCo and Organising Committee
