Congratulations on Completing the BAOMS Foundation OMFS Activity List for YYYY

Dear

On behalf of the Association I would like to congratulate you on completing all the essential tasks and activities in our BAOMS Taste of OMFS programme along with several of the desirable domains. Please consider this letter a record of your success. We hope you will keep working on the other tasks and activities listed next year. If you do, I would be delighted to confirm this with another letter.

All good wishes for your ongoing training and we hope you will consider a career in OMFS. All BAOMS members aiming for a career in OMFS, at any level of training, can get signed up for our Mentoring and Support Programme (MSP) – details are on our website.

Yours sincerely,

Robert Bentley
BAOMS President
