

Salivary Gland Cancers Registry – List of diagnosis

Source: WHO Classification of Salivary Gland Cancers

Acinic cell carcinoma

Adenocarcinoma NOS

Secretory Carcinoma

Salivary duct carcinoma

Mucoepidermoid carcinoma (MEC)

Myoepithelial carcinoma

Adenoid Cystic Carcinoma (AdCC)

Carcinoma ex pleomorphic adenoma (unspecified)

Polymorphous adenocarcinoma

Carcinoma ex pleomorphic adenoma (in situ / intracapsular)

Epithelial-myoepithelial carcinoma

Carcinoma ex pleomorphic adenoma (invasive)

Clear cell carcinoma

Carcinosarcoma

Basal cell adenocarcinoma

Poorly differentiated carcinoma

Sebaceous carcinoma

Lymphoepithelial carcinoma

Intraductal carcinoma

Squamous cell carcinoma, SCC (primary)

Cystadenocarcinoma

Oncocytic carcinoma
